

## Evaluate to Refine Worksheet

My Name:

### PART 1

Refer to the Peer Assessment Worksheets and teacher feedback on the Imagine, Plan, and Make Worksheet.

What did you learn from your classmates' and teacher's feedback?

I learned that I should have ended the music when David died to show the sadness of the event.

### PART 2

Refer to your completed composition. Submit this worksheet to your teacher on the day of your presentation.

What worked well? Describe your use of compositional techniques (repetition/variation/contrast, tension/release, dissonance/consonance, and balance), style, and form and how they were used to express your intent.

For my piece of music I used repetition, by playing the same notes in the same order to create a melody.

Describe what you did to improve your composition (between the first draft and the final draft) and your reasons for making those changes. Describe to what extent did you adjust the expressive intent and musical ideas.

For my section of the music piece I didn't change the musical composition, however I just cut part of the music.
