

	1	Little or no element were used neither consistently or efficiently.	Few or none members worked together to <del>make</del> perform the dancer's movements and rhythm.	The members failed to show energy and lacked effortness.	None of the members match the emotion and theme of the dance.
	2	Most of the elements were used consistently but not efficiently.	Some members worked together to create the rhythm and movement of the dance, and it's shown in the performance.	Some members put their full energy into their movement, and it's clear some worked on the dance.	Some members match the emotion and theme of the dance.
	3	all of the elements were used effectively and consistently.	All the members worked together to create movement and rhythm, <del>and</del> it is shown in the performance.	All members put full energy into their movements, and it's clear they put their best foot forward.	All members match the emotion and theme of the dance.
