Movement Reflection - solos

Dancer	I can clearly see our theme and artistic statement in this choreography	I can see movement that relates to either the theme or the artistic statement in this choreography	I can't see anything that relates to our theme or artistic statement in this choreography	Compliments/ suggestions for improvement/ general notes for dancer
ME!				dance more confidently and add stronger or transitions to make the dance flow
Brooke			yes	put more movement in instead of jumps and turns
Gloria		yes		Brush up on choreography to make it look less choppy & rushed
Kayla			yes	Take out some of the turns and add movement that reflects your statement
