

IMovie Mash-Up Reflection Name \_\_\_\_\_

Words you may want to include:

planning	compare/contrast	cooperation	communicating	theme
editing	audio/video	artwork/photos	unique/creative	message
visuals	newscast/commercial	special effects	sound levels	technical
persuade	facts/opinion	images/visuals		

What were the three strongest features of your IMovie?

1. persuade
2. audio/video
3. unique/creative

What would you change, if anything?

More of the newscast, less of the commercial.

How did you use feedback from classmates or from the teacher?

Our teacher told us to make our voice louder and the music softer, which we have done.

In two sentences or more, tell me what your IMovie taught you about creating a video...

I learned that you have to cooperate with your partner. Also, we learned how to back up your opinion using the newscast.
