

# NATIONAL CORE ARTS STANDARDS

National Coalition for **CORE ARTS** Standards

The **National Coalition for Core Arts Standards (NCCAS)** is seeking partners interested in supporting the refinement, implementation, and sustainability of national standards for Dance, Media Art, Music, Theatre, and Visual Arts. We welcome national and international individuals and organizations with a resolute commitment to arts education.

Membership offers individuals and groups the chance to network around a common shared goal, interact with thought partners to clarify, and focus their work and support their artform through the identification of common unifying goal of high-quality standards-based arts education for students. Members bring a variety of skills and strengths ranging from research to technology to content expertise as a part of dynamic team creating highly valued resources to support arts education.

**NCCAS Mission:** The National Coalition for Core Arts Standards is the partnership of national organizations focused on the development and implementation of arts education standards in dance, media arts, music, theatre, and visual arts to promote artistic literacy as a part of a well-rounded education.

**NCCAS Vision:** All students will receive a high-quality standards-based sequential education to ensure artistic literacy as a part of a well-rounded education.

There are many ways to join the work.
